REASONS FOR ALLOWANCE

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Craig Cochenour (Reg. No. 33, 666) on July 22, 2003.

2. The application has been amended as follows:

Delete "now U.S. Patent _____" in page 8, line 8 of the specification and replace with "now U.S. Patent No.6,458,540".

Delete "antigenic marker is on a cell" in claim 2 and replace with "target analyte is a cell".

Delete "antigenic marker is on a nucleic acid probe" in claims 3 and 9 and replace with "target analyte is a nucleic acid".

3. The following is an examiner's statement of reasons for allowance:

Claims 1-12 are allowable in light of applicant's amendment and the examiner's amendment. Although dependent claims 3, 5, 9, and 11 were withdrawn from previous examination due to species election, according to 37 CFR 1.141, examiner is required to reconsider these withdrawn claims if an independent claim that they are dependent on (claim 1) is allowable, since independent claim 1 is allowable, the examiner decides to rejoin these claims and allows claims 1-12. The closest prior art in the record is Juhl *et al.*, (Cancer Research, 55, 5749s-5755s, December 1, 1995). This prior art does not teach step c) of claims 1, 8, and 12 (see

Art Unit: 1634

applicant's remarks, page 7, last paragraph). This prior art either alone or in combination with the other art in the record does not teach or reasonably suggest a method for detection of one or more specific target analytes in a sample, a method for detecting a carcinogen, and a method for detecting a cancerous cell which comprise all limitations recited in claims 1, 8, and 12.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Papers related to this application may be submitted to Group 1600 by facsimile transmission. Papers should be faxed to Group 1600 via the PTO Fax Center located in Crystal Mall 1. The faxing of such papers must conform with the notices published in the Official Gazette, 1096 OG 30 (November 15, 1988), 1156 OG 61 (November 16, 1993), and 1157 OG 94 (December 28, 1993)(See 37 CAR § 1.6(d)).
